## *And the winner is...*

Thank you for picking up a copy of BEST of PARIS!

We couldn't have been more pleased with the response from our readers who ultimately decided who was deserving of the title of "BEST" in Lamar County.

After several months of preparation, voting and counting ballots, the 2021 Best of Paris winners are in and congratulations are certainly in order.

Starting in February 2021, we published Best of Paris ballots for four consecutive weeks in The Shopper and on our website [dseshopper.com](http://dseshopper.com).

The ballots consisted of 224 categories including places to shop, services, food and drink and people in our county. The response was overwhelming with over 1,600 ballots submitted by the February deadline.

Best of Paris voters were given an opportunity to submit one ballot per person and had to vote for a minimum of 10 categories. Our goal was to make sure the contest was fair and managed in a way where ballots could be screened and validated. Random calls were placed to readers submitting ballots to ensure they were in fact the ones submitting the ballot. Duplicate ballots were taken out and all ballots throughout the counting process were checked for anything we felt would compromise the outcome of the contest.

Congratulations to all our winners and we hope you will enjoy a full year of this great distinction as THE BEST in Lamar County.

Thank you again to all who participated.

*Linda Garrison*

# Paris, Texas Landmarks

## Culbertson Fountain

In the Center of the Square. A gift to the city by Paris businessman/ philanthropist J. J. Culbertson, this Italian marble fountain was meant to commemorate the city's rebirth after the 1916 fire that destroyed most of the city. Designed by St. Louis architect J. L. Wees, it is said that it was inspired by fountains the Culbertson family had seen while in Italy. The fountain took three years to assemble (1924-1927).

## Sam Bell Maxey House

The Sam Bell Maxey House is a historic house in Paris, Texas. Samuel Bell Maxey, a prominent local attorney and later two-term U.S. senator, built the large two-story house after serving as a major general in the Confederate Army. It is built in the High Victorian Italianate style. From 1868 to 1966, the house was the home of Samuel B. Maxey and his family. The house was designated a Recorded Texas Historic Landmark in 1962.

## Red River Valley Veterans Memorial

This impressive memorial is located in Paris, Texas next to the Eiffel Tower at the Love Civic Center. The Memorial's centerpiece is the Ring of Honor, an elevated ring of granite walls containing the names of all men and women from the five county Red River Valley area who made the ultimate sacrifice in a combat zone while in service to our country. The Red River Valley Veterans Memorial will be a place for reflection, remembrance and gratitude. And may it be a reminder that "Freedom Is Not Free."

## Lamar County Museum

The Lamar County Historical Society preserves artifacts and historic sites within the county; its museum exhibits uniforms used during the Civil War, replicas of pioneer homes, a blacksmith shop and shoes. Museum admission is free, but the society appreciates donations.

## Trail De Paris

The Trail de Paris runs for just over 3 miles from Paris east into the countryside. The paved route follows a lovely corridor of shade trees, crossing bridges as it heads along a former railroad right-of-way. The trail includes benches, viewing platforms, mile markers, and interpretive signs. It offers access to a butterfly garden, neighborhoods, and parks. On its eastern end, it connects to the Reno Rail-Trail, which extends the ride another five miles.

## Eiffel Tower

Texas' Eiffel Tower is a landmark in the city of Paris, Texas. The tower was constructed in 1993. It is a model of the Eiffel Tower in Paris, France. This replica was built in 1993. A cowboy hat added to the top made the total height 65 feet. It was built by members of the local welders' union and is less than one tenth the height of the 1,063-foot original. A shiny red cowboy hat was added to the top of the spindle in 1998.
